11 August 2018

Dear Philanthropic Collective,

1st Ferny Creek and 1st Olinda Scout Groups are excited to support The Philanthropic Collective again in 2018 for the **Halloween on the Green** community event. We are looking forward to once again working with The Philanthropic Collective and other supporting organisations including Sassafras Primary School, Sherbrooke Community School, Ferny Creek Primary School, Sassafras Preschool, and the Home Schooling Group, to make this event a success.

Scouting is a youth-led organisation with a strong focus on community involvement and service. An event such as Halloween on the Green, provides an opportunity for our Scout Group to work with other organisation in the community, such as the schools from which many of our youth members attend, as well as other community and service organisations such as the local Country Fire Authority brigades and Victoria Police, and the wonderful sponsor businesses from our community, to create a fantastic youth event that also benefits our local schools.

We also look forward to the opportunity to provide an insight and an opportunity to try out some other aspects of Scouting, such as outdoor and adventurous activities, for the children and youth attending Halloween on the Green.

We eagerly look forward to the day and will "Be Prepared" to be scared!

Yours in Scouting,

Tim Lee
Assistant Scout Leader
1st Ferny Creek
