Dear Philanthropic Collective re Halloween on the Green,

Sassafras Primary School is thrilled to be working with Sassafras Pre School, Ferny Creek Primary School, the Home Schooling Group and Sherbrook Community School through the Philanthropic Collective to support Halloween on the Green on 27 October 2018. This festival is a wonderful family and community event, to be enjoyed by people of all ages. The 2017 Halloween on the Green was a huge success and we are really pleased to be part of this event once again.

We appreciate having the opportunity to join with our fellow schools, the Home Schooling Group and pre-school to host an event, which will be an affordable fun day for everyone in our Hills community. We are so excited to be able to be part of this festival which will support the community that supports us so generously. Thank you!

Yours sincerely,

Cathy Jones
Principal
